The Power of Play: Building for the Future at Anchorage AEYC's Annual Conference

Celebrating 38 years of bringing dynamic professional development, keynotes & featured speakers to Alaska.

The Anchorage Association for the Education of Young Children Board (Anchorage AEYC) and Anchorage AEYC Conference Committee would like to invite you to the 2019 Anchorage AEYC Early Childhood Conference, "The Power of Play: Building for the Future" February 6-9, 2019 at the Hilton Anchorage Hotel. We are thrilled to have you joining us whether it's for one day or the full 4 days of the Conference. The time you dedicate to attending the key notes and workshops; demonstrates the commitment that you have to your ongoing professional development and to the children and families in your community. We'd like to give you an idea of what you can expect and what we hope you gain from this 4-day conference.

The 2019 guest speakers are Cate Heroman, Ron Mohl, Father Michael Oleska, Dr. Peg Oliveira, Keith Pentz and Melanie Potock. Hundreds of Early Childhood Professionals will come together bringing

unique backgrounds and different experiences. This collaboration gives us opportunities to make new connections and come away with rich ideas, strategies, and reflection that will positively impact the work we do with young children and their families within our communities.

There will be a silent auction on Thursday, Friday & Saturday of the conference. Please check out the auction each day as new materials will be auctioned off. All of the proceeds go to the Anchorage AEYC Early Childhood Education Scholarships Fund. Scholarships are offered semiannually to assist Anchorage AEYC members who are pursuing a degree or certificate in Early Childhood in the state of Alaska as well as to any members who wish to attend an early childhood conference either in Alaska or out of state.

There will be a member's only room during the conference. We will have

drawings throughout the day in the member's room along with snacks. There will also be information about the Anchorage AEYC Board members/positions and the Conference Committee roles. We are currently recruiting for board and committee members, so please stop by if you are interested in signing up or learning more about the board and committee roles.

We want to thank all of the state-wide Early Childhood Programs in attendance for joining us. Best wishes to everyone for a memorable, inspiring, and enriching conference!
